

REMARKS/ARGUMENTS

Page 28 (Claims 1-7) are hereby canceled and newly added Claims (8-14) are presented for examination. The newly presented claims are added in order to comply with U.S. Patent practice by deleting multiple dependencies. Otherwise, the newly presented claims embrace comparable subject matter as the original claims (PCT Rule 66.8(9)).

No new matter has been added, and the new set of claims does not go beyond the disclosure of the international application as originally filed.

All of the claims presented can be substantiated by the application as originally filed.

Respectfully submitted,
